## New Desktop Case RatiopacPRO Style

**DESIGN YOUR DIFFERENCE** — Create customized desktop cases with ease and unmatched aesthetics

### Personalized designs

The enclosures can be tailored to match the business's unique image and stand out in the market.

### Variety of size options

The platform consists of enclosures that vary in height from 2 to 6 units, width from 28 to 84 HP, and depth from 255.5 to 415.5 mm to meet a variety of needs.

### Design flexibility

Users have the flexibility to choose from various frames, bezels, colors, and printed finishes. They can also add removable rubber strips for shock and surface protection and other extra features.

- Sizes range from height of 2-6 U, width of 28 HP to 84 HP, and depth of 255.5-415.5 mm
- RF-shielding; front panel fixing options; improved perforation; component mounting
- DESIGN: Frame: 19 colors, top & bottom covers: 15 colors, side covers: 15 colors, rubber strip: 2 colors. All components in custom colors on request
- UV printing process guarantees high scratch resistance and UV resistance
- Printing of white ink enables realistic representation of light colors
